Dear Lakeside Members,

Welcome to the 54th Winter Season at Lakeside. The winter structure is up and the club has seen lots of activity, from Quarry Gators and Lakeside Masters swim teams, to swim lessons and parents like me just trying to get their kids to burn off some energy on a cold rainy day. I encourage you to check it out if you have never been during the winter.

The staff continues to work hard through these winter months to keep the club looking beautiful and running smoothly. Take some time to appreciate all of the incredible staff and give a warm welcome to two new staff members here for their first full winter. George Villarreal (Aquatic Operations) and Anna Gdovka (Clerical Operations). And you can also say welcome back to Walter Sheets (Maintenance and Facility Operations).

Finally, just a couple of reminders

- 1) Annual membership fee reminders will be sent out at the first of the year. NO CHANGES in fees again this season. Renewal payments can be made through the website.
- 2) Always check the website lakesideswim.com for schedules, inclement weather information and any other announcements
- 3) We are accepting job applications, if you know anyone interested in summer employment, applications can be found under the employment section on the website.

Looking forward to seeing all of you on May 27, when the club opens for its 99th summer!

Sincerely,

Corey Robertson, President
