Dear Lakeside Club Member:

We are only weeks away from the beginning of another summer at the lake. The winter structure is down, and water is going into the lake, and it's only a matter of time until we can all be floating on our rafts or throwing our kids around in the bullpen. For now, I want to call out a few highlights to what's going on at the club this year.

Several of the club's committees have recently worked to update the club's mission statement, which now reads: "To foster an inclusive community that promotes athletic excellence and recreation and preserves Lakeside Swim Club."

On the athletic excellence front, the Lakeside Seahawks won the KY State Championship for the 52nd consecutive year. Individually, club member Charlotte Crush set a National age group record in the 200 backstroke, a record previously held by Olympic gold medalist Missy Franklin. The Quarry Gator Swim Team won the 2022 LSA D3 Championships for the first time since joining the league in 2019. The Masters Swim Team continues to have multiple swimmers earn recognition in the Top Ten in the Nation!

On the recreational side of things, we all love being able to bring our guests to the club. This year members will be able to purchase guest tickets online, in advance, to make checking in with your guests a much smoother process. Tickets will be available to purchase on or after May 22nd. See the website for more details on how to purchase these tickets online.

There are not a lot of changes otherwise. Should be another great summer and I look forward to seeing you all in the lake!
