The survey is required in order to complete the renewal process, but you have the options to state, prefer not to answer, but hope you will.

100 YEARS OF LAKESIDE!

Lakeside will celebrate its Centennial anniversary in 2024, and as a member, you are a part of our rich history.

The 100th Anniversary Committee has planned activities to take place throughout the Summer 2024 season, specifically from June 28-July 7. During those ten days, the Activities Room will hold a time capsule of photos, memorabilia, and historical facts to be viewed throughout those ten days. Watch for announcements for when other activities fun for all ages will take place. A calendar of events will become available soon!

Lakeside Certificate Member, Club Historian, and former staff member Brigid Kaelin will be writing a coffee table book documenting Lakeside's history that will be available to purchase this summer as well. We look forward to sharing this important part of the Lakeside history with you this year!

Did you know?

- In the 1940s, a group of Lakeside mothers formed a "Nursery Co-Op" to watch each other's children on the playground that was near the current bike racks.
- The lane lines, which used to be called "lemon lines," once ran from the point guard chair (in front of Eckard building) to the front pier (where diving boards are located).
- Lakeside operated as a public pool in the 1930s and 1940s, with a gate worker who collected admission from the general public who wanted to swim there.
